

Lead us not into temptation but deliver us from evil.

“Keep me on the safe path and help me listen carefully to Your voice.”

For the Kingdom, the power and the glory are Yours, now and forever, Amen.

“You alone are God and I love You.”

Our Father in Heaven

“Thank you Father for Your love for me and that You call me Your child.”

Hallowed be Your name

“Your name is HOLY and I worship You.

Help me handle Your name with great care.”

Your Kingdom come, Your will be done on earth as in heaven

“Have Your way in my life and help me to follow You.

May Your will be done in my family, in my workplace/school, in Your church and in Your world.”

Give us today our daily bread

“Please give me what I need today and help me share what I have with others too.”

Forgive us our sins as we forgive those who sin against us

“I’m sorry for the wrong things I have done. I turn away from those things.”

“I forgive those who have done wrong things to me”
